## **All Humana plan sponsors must complete annual gag attestation**

*Submission deadline is December 31, 2023*

The Consolidated Appropriations Act (CAA) [gag clause prohibition](#) requires issuers and plan sponsors to attest that any agreements they enter with health care providers, third-party administrators or other service providers will not contain language restricting access to cost and quality of care information. Compliance requires submission of a [Gag Clause Prohibition Compliance Attestation](#) (GCPCA) by December 31, 2023, from the plan and/or issuer.

Due to its exit from the commercial group medical market, [Humana announced](#) responsibility for completing the attestation rests with all fully-insured and self-funded group health plan sponsors. Humana confirmed all its provider agreements comply with the gag clause prohibition requirement.

Bukaty Companies has prepared a [How-To Guide](#) with screen shots and links to help clients navigate the attestation process.

For additional information and support, contact your Bukaty benefits consultant or support team.
